9:05 Meeting called to order by Heidi Olson

- Approval of changing of start date for softball. No supervised or organized practice may start earlier than February 15th which is a change from March 1.

Motion to approve by Macdonald 2nd by Musgjerd Motion passes

- Discussion over Gogebic wanting to join conference in Volleyball
Macdonald suggested maybe they be independent and play the conference schools
- Does the conference need a formal process for adding teams to the conference

Discussion on the process and a process was come up with for further discussion and approval as more schools are contacting conference as wanting to join league

Tentative process

1. formally apply to the league office
2. Coaches from that particular sport must make recommendation whether for or against school joining
3. Executive committee make recommendation
4. General Assembly approval-possibly
5. General Council at MNSCU and Steve Frantz for approval

This process will be reviewed again in November and look for possible approval

- New website up and running

MCCC Conference coordinator Justin Heckenlaible gave a update on the new website and the new look and changes that have been made.

- Update on golf championships

Jane Peterson gave a update on the MCCC State women's and men's golf tournaments

She also asked about the conference meets that are listed and the meets that the participants are required to go to some many meets and do you have to attend conference meets throughout the year. Some golfers only golf at state meet? Justin Heckenlaible will visit with the President of the golf coaches and see what happened to attending so many conference matches and report back to executive committee
